Build Your Imagination!

FidlBitz® are revolutionary cubes that stick together but are not sticky. Designed by a chemist, each 1cm foam cube simply sticks together and allows you to build, shape and create.

If you can think of it, you can build it!

Stack, link, shape, build in 2D, 3D or simply squish together for a sensory overload – the crackle noise is awesome!

FidlBitz® is a genius toy that inspires creativity and provides open-ended, unplugged fun.
