

HOUSE of MARBLES

TRADE CATALOGUE 2024

GIFTS, TOYS, NOVELTIES, BOOKS,
GAMES AND PUZZLES FOR ALL AGES

We have been designing, making and selling fun and entertaining products since 1973 when our founder began making board games in his workshop to sell at local craft fairs. Fast forward fifty years and House of Marbles has grown to become one of the leading suppliers of traditional games and toys in the UK, USA and all over the world.

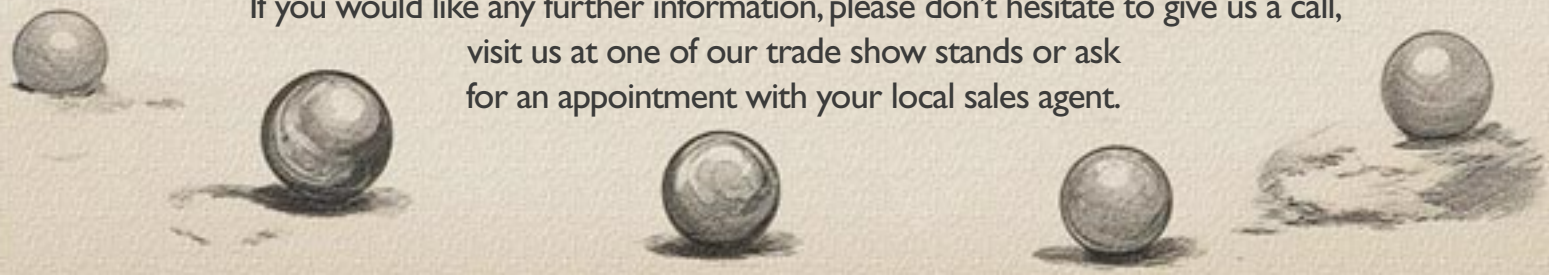

Our product range has grown immensely in that half a century – as well as toys and games, we now also offer a huge variety of children's products including novelties, books and collectables.

For grownups, we offer executive games and puzzles, gifts, books and home accessories.

Everything in our range must meet our exacting standards and be of high quality, good value and – most importantly of all – must be great fun and stand the test of time (a bit like us!).

We work from an 18th century building on the edge of Dartmoor in Devon, England, where our award-winning design team and production staff are committed to producing the perfect products and our sales team are dedicated to offering first-class service and support to all our customers, big or small.

If you would like any further information, please don't hesitate to give us a call, visit us at one of our trade show stands or ask for an appointment with your local sales agent.
