# CONCEPTS THAT DEFINE EDUCA BORRAS S.A.U.

## Experience

The origins of Educa Borrás date back to 1894, when Borrás Plana S.A. was founded. EDUCA® is a leading brand, setting the standard in educational games and puzzles. BORRAS®, famous for its highly acclaimed magic-based games, also sets the benchmark in the entertainment and family games fields. Today, our products are distributed in more than 75 countries around the world.

## Quality and security

The Educa brand is a guarantee of quality. Quality is one of the key attributes that consumers associate with our products. 90% of our products are manufactured on our facilities in Sant Quirze del Vallés, Barcelona. They undergo strict security and quality controls and use top quality, renewable and environmentally friendly raw materials.

## Leadership

Educa Borrás offers a wide product portfolio in different categories of the toy sector, and is a market leader in puzzles and magic. Its most iconic brands are Educa (puzzles, children's games and arts and crafts), Borrás (magic and family games) and Lynx/Vildkatten (board games).

## Innovation

We know that the best way to satisfy our consumers is to continuously reinvent ourselves and our products. Our product development, design, pedagogical and game specialist teams work tirelessly to achieve that aim.

## Service

From the original concept, through the design, development, manufacture and marketing of our products, Educa Borrás pulls out all the stops to ensure we create fantastic products with our clients' and consumers' needs in mind. In addition, Educa Borrás offers unique services available nowhere else in the world. For example, the Lost Pieces Service provides replacement jigsaw pieces, so even if a piece is lost, puzzle fans can finish the job.

## Variety

The Educa Borrás catalogue offers a hugely rich range of products for all ages combining our prestigious own brands and the most popular licenses.

The mark of responsible forestry

FSC®  
The main mission of EDUCA BORRAS is to see children grow and develop through play. We want this development to take place without any harm to the environment, while guaranteeing a sustainable future for everyone. In 2017, Educa Borrás S.A.U. was the first producer of puzzles and educational games to be awarded the FSC® certificate for all the products manufactured with paper and card (all our puzzles and games). The Forest Stewardship Council® (FSC®) is a non-profit organisation that safeguards, monitors and promotes sustainable forest management. The FSC® certification means that all the paper and card we use at EDUCA BORRAS is traceable and comes from responsibly managed forests. It guarantees that the raw materials have not been extracted from illegal sources. At EDUCA BORRAS, we never stop working to improve our environmental performance. En las obras de Esther Gili solemos encontrar mujeres con carácter que nos hablan desde el silencio del papel, trazos seguros, magia y realidad. Sus acuarelas deciden ver la parte más bonita de la vida.

Dans les œuvres d'Esther Gili, on trouve souvent des femmes de caractère qui s'expriment par le silence du papier, les traits sûrs, la magie et la réalité. Ses aquarelles montrent les bons côtés de la vie.

Nas obras de Esther Gili, é habitual encontrar mulheres com carácter que nos falam a partir do silêncio do papel, bem como traços seguros, magia e realidade. As suas aquarelas decidem ver a parte mais bonita da vida.

In Esther Gili's works, we usually find women of character who speak to us from the silence of the paper, confident brush strokes, magic and reality.

Her watercolours invite to see the most beautiful part of life.

In den Werken von Esther Gili treffen wir auf charakterstarke Frauen. Die Illustrationen sprechen uns durch klare Umrisse, Echtheit und Magie an. Ihre Aquarelle zeigen entschieden die schönste Seite des Lebens.

Nelle opere di Esther Gili si incontrano sempre donne di carattere che ci parlano, seppur mute, dalla carta, tratti sicuri, magia e realtà. I suoi acquarelli vogliono vedere sempre il lato buono della vita.
