We are so excited to be awarded the first ever King's Award for Enterprise for International Trade.

Previously known as The Queen's Award for Enterprise, the new name reflects His Majesty The King's desire to continue the legacy of HM Queen Elizabeth II's by recognising outstanding UK businesses.

We're so proud to have been recognised for excellence in international trade with this prestigious award. We first went truly international in 2016 and phenomenal growth each year since has turned us into a worldwide recognised children's gift and toy brand.

Over the past year we've been celebrating this brilliant news (and Tim even had a visit to the palace!) but we also wanted to say a huge thank you to each and every one of you for your continued support.
