Learn through play

## Our Story

Founded by a mom and teacher, iPlay, iLearn's mission is to produce toys that facilitate and extend play, a critical building block for child development. The company values high-quality entertaining products that are fundamentally designed to help kids learn and grow through fun— all at affordable prices.

## Brand Concept

iPlay, iLearn utilizes its creative in-house design team to visualize and originate fun, colorful toy designs that children will love. We stress the importance of product safety and design in all of our toys. All of our products go through rigorous testing at third party CPSC approved laboratories to meet all consumer products requirements.

## Mission

Fully meet the needs of children, so that they can develop the most necessary skills for the 21st century: Collaboration & Teamwork, Creativity & Imagination, Critical Thinking & Problem-Solving.
