

Welcome to the World of Little Passports!

We inspire kids through playful learning adventures that ignite their curiosity and set them on the path to becoming adventurous, enthusiastic lifelong learners! Our products engage kids through exciting topics, bold visuals, and lively hands-on content while broadening young learners' awareness of other people, places, and cultures.

Children explore social-emotional learning, science, geography, and more by reading, building, observing, experimenting, imagining, and playing!

Whatever a child's interests or learning style, there's something to dive into—engaging stories, surprising facts, and idea-provoking activities that encourage kids to think outside the box.

Open kids' minds to the wonders of the world we share with Little Passports books, kits, games, and puzzles!

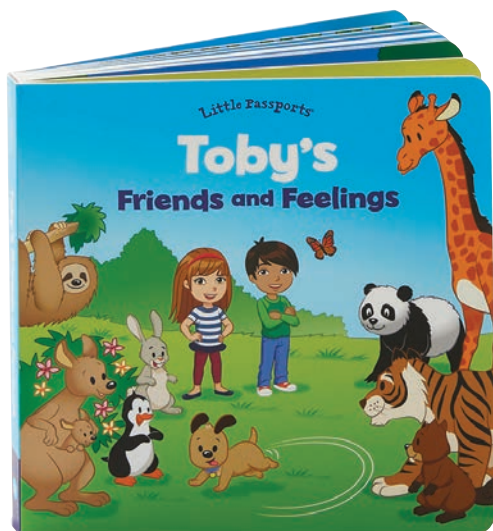

Books
