

“I’ve sold thousands of Grandpa Beck’s Games each year, for more than a decade. They bring great income to each of my stores. Most importantly, they bring fun and enjoyment to my employees and customers.”

Yamil Castillo, The Red Balloon Toy Store

“Grandpa Beck’s Games is a successful product line, and the reason people come to my store. We regularly upsell multiple products of theirs because Grandpa Beck’s Games understands their target market and delivers consistent results. Every new product they produce is an automatic inclusion to the store and our demo displays are always a hit.
